

YOUR MAGIC MIRROR

Many fairy tales and stories include mirrors with magical abilities.

- Snow White's stepmother had a mirror that told her who was the fairest (prettiest) of all.
- The Beast had a mirror that showed him the outside world while he was trapped in his castle.
- Harry Potter found a mirror at Hogwarts that showed him his heart's desire – his parents.

If you had a magic mirror, what magical ability would it have? How would it help you?
